I thought that I'd let you know that my Belchertown case pled yesterday, so I'm only on call for 1 Holyoke case and 3 Springfield cases. I think that I could get to both places if needed today as Holyoke tends to move rather quick, so I'm guessing I'd be done there by 12 or 12:30, and then head down to Springfield after lunch if necessary.

Good morning-

I just wanted to let all of you know that I may have a conflict making all of your possible trials tomorrow as I have 6 scheduled in a total of 3 district courts. I'm guessing that I am on call for all of them, but if you are going to definitely need me please let me know so I can try to plan accordingly. Also, if any of your cases have already pled or if you know that they are going to be continued, etc., please let me know as well. Thanks.
